Project Description	<p>The Project Description section of the application needs to be edited. The first paragraph needs to be written in RCO "Contract Language" and the second paragraph can be any other additional information you would like to include, that is pertinent to the project.</p> <p>Please read the provided Contract Language "Project Description" example carefully and follow this "format" for writing the 1st paragraph. The application will not be accepted until this edit is completed correctly.</p> <p>Example Project Description:</p> <p>The Seattle Parks and Recreation Department will use this grant to renovate the Brighton Playfield in south Seattle. The playfield area will be converted to a 200,000 square foot synthetic surface that will support multiple sports including baseball/softball, soccer, lacrosse and other field sports or leisure play. Additional project elements include installation of the baseball and softball amenities, new LED lights, accessible pathways, and spectator seating. The primary recreational opportunity provided by this project is youth active play.</p>
